Creating content with Spirit

Our mission is to create 'Content With Spirit' that impacts audiences through entertainment and storytelling, in order to drive change.

We are a multi-award-winning TV, Digital Content and Audience Building studio that specialises in creating several of the top-10 entertainment podcasts spanning multiple genres.

As well as creating in-house content, we also create podcasts for various platforms and 3rd party clients.

Our distribution and ad sales partners are currently **Acast** and **Adelicious** though we work with all the main commissioners including **Audible**,

Spotify, Amazon Music, and BBC Sounds.

At Spirit, we offer a variety of podcast services that we've detailed below.

CONCEPT & STRATEGY

We bring together the best minds in our business to help you create a hit podcast.

PODCAST PLATFORM ONBOARDING

We make launching a podcast fun! We'll take on the heavy lifting and get you set-up on **Acast**, as well as other podcast listening platforms.

HOST & TALENT BOOKING

Working across TV and Digital, we have been able to build a fantastic network of talent that have featured on various of our shows as both hosts and guests.

RECORDING & EDITING

We want you to focus on what you do best so leave the recording (remote and in-person) and editing (audio and digital) to us.

DISTRIBUTION

We distribute your podcast to all podcast listening platforms as well as various publications for further promotion.

AUDIENCE GROWTH

With a team made up of experienced podcast marketing experts, we offer a bespoke approach to growing your podcast in both listens and audience.
